

# EXPOBAR QUARTZ

## CAPSULE SYSTEM

Capsule group with direct pre-infusion chamber for optimal taste and aroma to every cup of espresso.

## HIGH PERFORMER

With a capacity that will satisfy the most demanding barista, but still keeping the neat size and convenient features.

## BRANDING

You can have your Quartz branded with your company name or favourite coffee\*

## EXPOBAR QUARTZ

A compact and efficient capsule machine without compromise. Quartz is designed and manufactured with the same precision, technology and craftsmanship that characterize ExpoBar and it is a perfect choice for offices, small restaurants and households.
